

Kuilsrivier Golf Club

16 DECEMBER 2022 - YOUR KUILSRIVIER GOLF CLUB TEAM – BRINGING YOUR CLUB

CLOSER

GREETINGS FROM THE KRGC TEAM...

As the year draws to a close, we look back and reflect on the year “that was” at Kuilsrivier Golf Club.

Following on from the latter part of 2021 when we introduced STM as our course partners and upgraded our main pumphouse, we have continued to bear the fruits of our decision throughout this year with a well-conditioned golf course. We take the opportunity to thank our course superintendent (Mark Pnematicatos) and his team for their efforts in producing a course for which we receive compliments on a regular basis.

As a spinoff of a well- conditioned golf course and affordable membership / playing fees, we continued to host a large number of golfers and golf events in 2022, which in turn has afforded us the ability to continue making improvements to our facilities. One of the biggest (and most costly) improvements undertaken to date has been the enclosure of the golf course. This has resulted in curbing the theft and vandalism we experienced over the past few years as well as improved safety for all who enjoy our facilities.

Another fairly large capital spend, which was forced on us this year was the purchase of a generator to ensure that we can irrigate at night and maintain the conditions enjoyed by all. This is not an expense that was budgeted for, but is a result of the constant load shedding being experienced in our country (and being in an ESKOM supplied area does not help). The operating costs of the generator are also exorbitant and not budgeted for, and one of our challenges for 2023 is to see what we can do differently, and smarter, to reduce operating expenses.

Other improvements throughout the year included sprucing up the inside of the clubhouse with a lighter shade of paint (will be continued in the New Year) and the addition of practice nets (compliments of Afriwire & Steel) and some new course equipment.

We have had a couple of changes on the staffing front in 2022, which has led to some disruption. But we continue to do all that’s necessary to streamline processes and train staff to get back to a smooth operation, and ask that our members bear with us while we address this.

From a league perspective, we managed to successfully defend our 2021 Harry Solomon title by beating Bellville in the final and ended middle table in the men’s scratch leagues. The ladies competed in the Copper league where they did very well to end the season as runners up. Congratulations to Yolanda Fourie and Carien Janse van Rensburg who were awarded medals for most valued league better ball pairing at the recent WP awards.

Despite having a number of events cancelled due to bad weather, our events team once again pulled off a very successful Classic and Joos van Zyl golf day, as well as other planned events throughout the year.

On the financial side of things, it is safe to say that 2022 was yet again another very successful year at our club. Even though the committee made the decision to invest heavily in some capital projects via loans, we have come out on the other side having paid off around 60% of the debt already and the year is not done yet. The growing popularity of our club for hosting events and golf days, will result in us achieving over 40,000 rounds by year end. This positive position has resulted in us being able to keep our fees for 2023 at an affordable rate, and as such will only be increasing the membership fee by 6,5 % while playing fees will be increased by 10%.

We are mindful that the progress made during the year was only possible through the hard work of our General Manager, and staff (both permanent as well as casual staff). On behalf of the committee, a great big thank you to all for your contributions.

To all who served on the committee in 2022, it has been my privilege to be part of a group, who despite our very strong differences of opinion at times, always put the club first and ensured to make the best decisions in the interest of the club and it's members. Thank you for the hard work and sacrifices you have made and your commitment to continue to grow the club.

In closing, on behalf of the Kuilsrivier golf club, I wish to thank our members for your continued commitment in 2022, and wish you and your families a prosperous 2023. To those who celebrate Christmas we wish you and your families a joyous and blessed one.

Please take care of your health and travel safely over the holidays.

Yours in Golf.

Steven Nortier

Club Captain

NOTE: NO MINORS UNDER THE AGE OF 16 ARE ALLOWED TO DRIVE GOLF CARTS.

NOTE: KIOSK / HALFWAY... WE HAVE X 8 TABLES ALLOCATED & NUMBERED.

Just joking...

“You’ve got to be the worst caddie in the world!” he yelled. “I doubt it,” replied the caddie, dead-pan. “That would be too much of a coincidence.”

And finally...

Please Remember to Fill YOUR Divots & Repair YOUR Pitch Marks!

ALWAYS CARRY A SANDBAG / BOTTLE & MAKE SURE IT IS REGULARLY FILLED UP.

Yours in Golf!
