**NOTE:**

**10. RELIEF FROM TREE ROOTS (Model Local Rule F-9.2)**

Model Local Rule F-9: If the players ball is in the general area and there is interference from exposed tree roots that are on the fairway **or within four club-lengths in the rough from the edge of the fairway**, the tree roots are treated as ground under repair, and the player may take relief under rule 16.1b. **Interference does not exist if the roots only interfere with the players stance.**

**M.L.R. L-2 making the player responsible for entering handicap on the scorecard.**

Contrary to the new 2023 rules of golf 3.3b(4) that states that the player will not be responsible for putting their handicap on the scorecard, GOLFRSA has introduced **M.L.R. L-2 which places the responsibility back with the player (failure to do so results in DQ from competition).**

**This a new local rule at KRGC.**

**Just joking...**

*If profanity influenced the flight of the ball, the game of golf would be played far better than it is. – Horace G. Hutchinson, 2-Time British Amateur Champion*

**Please Remember to Fill YOUR Divots & Repair YOUR Pitch Marks!**

**ALWAYS CARRY A SANDBAG / BOTTLE & MAKE SURE IT IS REGULARLY FILLED UP.**
