Golf Tip... Stay Committed to Your Shot:

Golf requires commitment to each shot you take. Doubt and hesitation can lead to poor execution. Here's how to stay committed:

Pre-shot routine: Develop a consistent pre-shot routine that includes visualizing your shot, selecting your target, and aligning yourself properly. This routine helps you commit mentally before the swing.

Trust your decisions: Once you've made a decision about the shot you want to play, trust it fully. Avoid second-guessing yourself while standing over the ball.

Positive self-talk: Use positive self-talk to reinforce your commitment. Tell yourself that you can execute the shot successfully. Confidence can lead to better results.

Deep breaths: Take a deep breath before you swing to help calm any nerves or doubts. This can help you stay focused on your target.

Limit distractions: Clear your mind of distractions and focus solely on the task at hand. Avoid thinking about previous shots or worrying about future ones.

Remember, commitment to your shot is crucial in golf. Trust in your preparation, make a decision, and execute it with confidence. This can lead to more consistent and successful shots on the course.

GOOD LUCK TO OUR...
1ST CHALLENGE LEAGUE AND OUR 3RD CHALLENGE LEAGUE TEAMS
PLAYING TOMORROW,
AGAINST METROPOLITAN GC AND STRAND GC RESPECTIVELY ...
PLAY WELL!

Just joking...

One day a player asked his coach: "What is going wrong with my game?" "You're standing too close to the ball after you've hit it."

And finally...

Please Remember to Fill YOUR Divots & Repair YOUR Pitch Marks!

ALWAYS CARRY A SANDBAG / BOTTLE & MAKE SURE IT IS REGULARLY FILLED UP.

Yours in Golf!
