**14 JUNE 2024 - YOUR KUILSRIVIER GOLF CLUB TEAM...**

**BRINGING YOUR CLUB CLOSER...**

**NO MORE PLACING! KRGK WILL IMPLEMENT THE BELOW MLR 8e  
AS AT 1 JULY 2024**

The modern Local Rule 8e, as outlined by the R&A (The Royal and Ancient Golf Club of St Andrews), addresses the procedure for lifting, cleaning, and placing a ball when it is embedded in the fairway.

## **Explanation of Local Rule 8e:**

Local Rule 8e allows a player to lift and clean their ball if it is embedded in its own pitch mark in the general area (formerly known as "through the green"). This rule typically applies in fairways and closely mown areas, and sometimes in the rough, depending on the committee's decision for specific competitions or courses.

## **Key Points of Local Rule 8e:**

**Embedded Ball in the General Area:** A player may take relief for a ball embedded in its own pitch mark in the general area.

**Lift and Clean:** The ball may be lifted and cleaned without penalty.

**Dropping Procedure:** After lifting and cleaning the ball, the player must drop it within one club-length of the spot directly behind where it was embedded, no nearer to the hole.

## **Quoting the R&A Rules of Golf:**

According to the R&A's Official Guide to the Rules of Golf, Local Rule 8e states:

"When a player's ball is embedded in the general area, the player may take relief under Rule 16.3b. The player may lift, clean and drop the ball without penalty as near as possible to the spot where it lay but not nearer the hole."

This rule is designed to ensure fair play and maintain the integrity of the game, particularly in conditions where embedded balls might be more common, such as after heavy rain.

For more detailed and specific application of Local Rule 8e, it's always best to refer to the competition's local rules or the course's specific guidelines, as there might be slight variations based on local conditions or tournament rules.

One of the most amazing and dramatic finishes in professional golf history is often cited as the 2019 Masters Tournament, where Tiger Woods completed a historic comeback to win his fifth Masters title and 15th major championship.

**Why It Was Amazing:**

**Comeback Story:** Tiger Woods had faced numerous personal and professional challenges, including injuries and surgeries, leading many to doubt whether he would ever win another major.

**Iconic Venue:** The Masters at Augusta National is one of the most prestigious tournaments in golf, making any victory there highly significant.

**Nail-Biting Finish:** The final round saw multiple lead changes, with Woods making crucial birdies on the back nine to pull ahead.

**Legacy:** Woods' victory was not only a testament to his resilience but also a major moment in sports history, cementing his legacy as one of the greatest golfers of all time.

The Final Round Highlights:

**12th Hole:** Several contenders, including Francesco Molinari, found the water on the par-3 12th hole, leading to double bogeys. Woods played it safe and made a par.

**15th Hole:** Woods birdied the par-5 15th to take the outright lead.

**16th Hole:** He hit an almost perfect tee shot on the par-3 16th, leading to another birdie.

**18th Hole:** Woods made a bogey on the final hole but still won by one stroke, finishing at 13-under par.

**Reaction:**

The victory was met with widespread celebration, with fans and fellow players acknowledging the significance of Woods' comeback. It was a moment that transcended sports, symbolizing perseverance and determination.

Tiger Woods' 2019 Masters win is often remembered as one of the most thrilling and emotional finishes in golf history.
