## JUNIOR NEWS...

Wishing **Codi Ruiters** all the best as he represents WPG A Team in the...

U/15 Matchplay Invitational played at...

Paarl GC and Pear Valley GC from 5<sup>th</sup> to 7<sup>th</sup> July...

**Play Well! We are proud of you!**

In 2012, during the PGA Tour's Travelers Championship, professional golfer Jim Furyk experienced a moment that was both embarrassing and hilarious. Furyk accidentally set his alarm clock to PM instead of AM, causing him to oversleep and miss his tee time by a mere few minutes.

When he finally arrived at the course, he was disqualified, much to his dismay and everyone else's amusement.

Furyk, known for his punctuality and professionalism, took it in stride and joked about his mishap, giving everyone a good laugh.

The lesson? Even the best golfers need to double-check their alarms!

### **NB! Amendment, to No Placing...**

Dear Members... We wish to inform you of a directive from, The R&A, communicated via Golf RSA, which requires all unions to strictly enforce Rule 1. i.e. The practice of placing will no longer be the standard procedure applied by our course.

**Effective from 1 July, Model Local Rule 8E-2 will be implemented. This rule permits the marking, lifting, and cleaning of the ball, but it must be returned to its original spot without placing it elsewhere.**

Please be reminded that Rule 16.1b remains in effect, allowing players to take relief from abnormal course conditions, such as standing water etc.

Enforcing Rule 1... Will be communicated, as soon as we are well into summer... Thank you for your attention to this important update, and for your continued commitment to upholding the standards of our game.
