Message from the Pro!

GIMMES - A gimme is a short putt conceded by an opponent because it is deemed unmissable. It is still counted as a shot but the player does not actually go through the motions of playing it.

A person may give their opponent a gimme in match play however, **they are not permitted in any other competitive format.** This includes medal (stroke) play, stableford competition or any other format in which a player's handicap is calculated.

So, moving forward please make sure you finish the hole, failure to do so will result in disqualification.

Thank you for understanding.
