15 FEBRUARY 2025 - YOUR KUILSRIVIER GOLF CLUB TEAM...

BRINGING YOUR CLUB CLOSER...

Club News & Updates

Dear Members,

You may have noticed **stippled white lines** along the inside edges of the fairways. These are guide markings set by our Greenkeeper to help the course staff shape, cut, and define the fairways with precision.

A reminder that the **Club Championships and Challenge League 2025** entry lists are now posted on the notice board. If you'd like to participate, be sure to enter before the respective closing dates!

Membership Subscriptions: All 2025 subscriptions were due by 31st December'24, with a one-month grace period granted. If not settled by the end of February 2025, unpaid memberships will be removed from the roll. We encourage members to ensure their subscriptions are up to date to continue enjoying the club's facilities and competitions.

Lost & Found: A large collection of lost items—including clubs, irons, and other gear—has gathered in the Pro Shop. If you're missing anything, please stop by before the end of February 2025. Unclaimed items will either be sold or donated to support Junior Development Golf.

In the evenings, it has come to our attention that members and visitors are teeing off without registering at the Pro Shop. We take this in a serious light and will take the necessary action should we find or catch the offenders.

Thank you for your attention, and we look forward to seeing you on the course!

DWAYNE BASSON...

In Difficult Conditions, Listen to Your Brain, Not Your Ego
Golf course conditions can get difficult.

Conditions over the last week have been extremely windy, and it's been two or three-club wind with every shot it seems.

The key is to make the game easier on yourself when the course conditions become difficult.

You normally hit 8 iron 120 metres, and you just hit a shot that only went 110. This is good information to have. The next time you have a 120m shot, chances are you will need your 7 Iron.

Make this adjustment for the day, don't worry about your total distances and averages; make the game easier on yourself and accept these quick adjustments. The golf course is different every single day and you should play it that way.

If you want to hit something lower into the wind:

- Ball position should be back a touch.
- If hitting off the tee, tee the ball down more than normal.
- Choke down a bit on the club.
- Take the appropriate amount of extra club

I hope this helps you in the extremely windy conditions we've been having lately.

Happy golfing!

NOTE:

GIMMES - A gimme is a short putt conceded by an opponent because it is deemed unmissable. It is still counted as a shot but the player does not actually go through the motions of playing it.

A person may give their opponent a gimme in match play however, **they are not permitted in any other competitive format.** This includes medal (stroke) play, stableford competition or any other format in which a player's handicap is calculated.

So, moving forward please make sure you finish the hole, failure to do so will result in disqualification.

Thank you for understanding.
