From the committee

At the AGM on Monday 31 March 2025 Adi Arendse and Duncan Fairbairn were elected to join the committee while Brent Walbrugh was elected as vice-Captain (all pictured below along with the rest of the 2025/26 committee and their respective portfolio's).

The President's report (as sent out to all members with the invite to the AGM) was read and the financial statements were presented. These reports highlighted a growth in Revenue of around 20% which was largely attributed to an increase in rounds as well as an increase in functions and events which in turn had a positive effect on all other departments (Kiosk, Bar etc.).

There was a constitutional change adopted with regards to the DC Committee structure for initial DC hearings as well as Appeals. The constitution on the Club's website will be updated accordingly. Additional questions were dealt with under General which included the progress to date on the implementation of Padel Courts. We can further advise that this has progressed to a point where we have made a decision on a preferred partner for the installation of the courts and are expecting feedback with regards to the funding of a loan within the next week. Once this is confirmed we will commence with drawing up of the necessary plans and submitting these to the Municipality for approval. Our aim is to have the courts operational by September 2025 should all plans etc. be approved.

The usual planned hollow tining and inter seeding was completed successfully and the greens will be back to what we are used to very soon. We will continue with our winter program and you can expect to continue seeing work and improvements to the course. The partition to the pool room has also been removed along with the underutilised pool table to make more room for our ever-growing membership in the clubhouse.

The Harry Solomon league has entered its second week and we congratulate our team on their victory against Bellville the past weekend and wish them all the best for the rest of the season. Preparations are also underway for the Challenge leagues later in the year. The next club event is the President Vs Captain challenge on 26 July and we look forward to a packed day once again. The newly formed Society Challenge was a success with six teams competing for the trophy. Sundowners were the eventual winners and received the pool prize of R28,800 to purchase goods for their charity of choice. A meeting will be convened in June to start discussing the new season (to commence in September) and we urge all to get their societies on-board.

In closing, the committee remains committed to doing the very best we can to ensure the continued growth and well-being of the club.

Handicap Card Update & New Player Access

Dear Club

As you may be aware, we are finalising the design of the new handicap cards. However, due to festive season delays, the process has taken longer than expected, and we do not yet have a confirmed production date.

To minimise disruption, we are offering to print and courier handicap cards for new members if urgently needed, at no cost to the club. Once the new design is ready, these members will receive replacement cards free of charge. We will provide an update on the timeline as soon as we receive confirmation from our suppliers. We sincerely apologize for the delay and any inconvenience this may cause.

Please let us know if you would like us to proceed with printing and sending the outstanding cards now or if you prefer to wait for the new design?

For any questions, feel free to contact us at **0860 691 691** or **info@handicaps.co.za**.

New Player Access

All newly registered players have full system access and can submit scores via the app while awaiting their physical cards. To log in:

1. Provide the player with their **Player ID (2700.... number)**, generated when their profile is created.
2. The player should click "**Forgot Password**" on the Phone App and follow the prompts.
3. They will receive an email to set up a password and access their profile.
