🎧 INTRODUCING DJ NEWTON SEPTEMBER 🎵

We're excited to have the **fantastic DJ Newton September** spinning the decks at the club this evening! A proud **member of Kuilsrivier Golf Club**, Newton is a **full-time professional DJ** with years of experience bringing life to **weddings, private parties, and corporate events**.

He knows how to read the crowd and keep the vibe just right – so bring your friends, grab a pizza, and join us for an unforgettable night of music and good times!

✉ For bookings: newton@tfbevents.co.za

Let's show Newton our support and enjoy the evening together!

We're excited to announce the start of our **Monthly Wine Tasting Evenings** at the club – a relaxed and social way to explore some of South Africa's finest wines.

We kick off with the prestigious **Lourensford Wine Estate**, nestled in the heart of Somerset West. Steeped in history and known for its breathtaking beauty and award-winning wines, Lourensford has become one of the most iconic wine estates in the country. On the evening, the **owner or winemaker** will join us to share fascinating insights into the estate's heritage, vineyards, and the wines we'll be tasting.

Wine will be available for purchase at great prices, and there will be a **lucky draw** on the night. **Delicious pizzas** will also be on sale to enjoy with your wine.

Limited to 40 guests, so book early to avoid disappointment – we'll do our best to accommodate all, but space is limited to keep the experience intimate and enjoyable.

We look forward to welcoming you to an unforgettable evening of fine wine and good company!

Handicap Card Update & New Player Access

Dear Club

As you may be aware, we are finalising the design of the new handicap cards. However, due to festive season delays, the process has taken longer than expected, and we do not yet have a confirmed production date.

To minimise disruption, we are offering to print and courier handicap cards for new members if urgently needed, at no cost to the club. Once the new design is ready, these members will receive replacement cards free of charge. We will provide an update on the timeline as soon as we receive confirmation from our suppliers. We sincerely apologize for the delay and any inconvenience this may cause.

Please let us know if you would like us to proceed with printing and sending the outstanding cards now or if you prefer to wait for the new design?

For any questions, feel free to contact us at **0860 691 691** or **info@handicaps.co.za**.

New Player Access

All newly registered players have full system access and can submit scores via the app while awaiting their physical cards. To log in:

1. Provide the player with their **Player ID (2700.... number)**, generated when their profile is created.
2. The player should click "**Forgot Password**" on the Phone App and follow the prompts.
3. They will receive an email to set up a password and access their profile.

Regards,
Handicaps Network Africa

The Shot Heard Around the Club

In 1971, astronaut Alan Shepard made history not just in space but on the golf course—on the **moon**! Sneaking a 6-iron head and two golf balls aboard Apollo 14, Shepard took a one-handed swing (thanks to his bulky space suit) and sent a ball sailing through the lunar dust. He jokingly said it went "miles and miles," but it was later estimated to have travelled over **600 yards** in the moon's low gravity—making it the longest golf shot ever...

and truly out of this world!

Please note that, effective **1 June 2025**, the **competition entry fee will increase from R20 to R30**. This adjustment ensures we continue to offer quality prizes and maintain the overall standard of our competitions. We appreciate your support and understanding as we make this small change for the continued benefit of all participants.
