HNA System Update

Dear Clubs

The HNA system upgrade has gone well. However, we have experienced a delay in approval from the Apple and Google App Stores. We are currently awaiting their approval before taking the system live. We expect this to be resolved later today or tonight.

Our apologies for any inconvenience caused, and thank you for your patience.

Kind regards,

The HNA Team

Dear Members,

We would like to provide you with a brief update regarding the HNA system.

The back-office system should be up and running later today, which will allow the club to regain access. As soon as the new app is approved by the Google & Apple App Stores, members will be able to download it and begin submitting their scores as normal.

Please note that there is a reprieve period of approximately one week (or slightly longer) during which no penalties will be applied while the system is fully restored.

In the interim, all members are requested to continue playing off their last official Handicap Index (HI).

Should any member experience difficulties with score submissions, or if an incorrect score is entered once the system is live, please contact Danni at reception, who will be able to assist with correcting or adjusting scores where necessary.

We will continue to communicate updates via:

- The Members' WhatsApp portal
- Facebook
- Email

Thank you for your patience and understanding while this matter is resolved.
